Acer eKinekt BD 3

Power Your Workstation with Kinetic Energy ⚡

Work & Study, Empowered

The eKinect BD 3 converts energy from the rider's pedaling power to charge laptops or devices, allowing for exercise and work productivity at the same time.

The Acer eKinect App

The eKinect App allows you to track riding duration, distance, and speed, as well as calories burned, and watts generated while pedaling.

Multi-Functional

Available Working and Sports Modes allow users to easily shift desk positions while pedaling to either focus on tasks or workouts.

Working Mode

Sports Mode

The eKinect BD 3 responds to modern people's pursuit of sustainable energy and fitness. We offer this combination of power-generating bike and desk all-in-one, empowering both active and sustainable lifestyles.
